

## **JCUA Leadership Society**

The JCUA Leadership Society serves to create a stable foundation for JCUA's enduring mission to make Chicago a more just city. Members of the Leadership Society make an annual gift in the amount of \$1,800 or more, investing in the long-term growth of the organization. In appreciation for this substantial investment, Leadership Society donors will receive a number of benefits including invitations to exclusive leadership events throughout the year and call-ins and webinars about the pressing social justice issues of today. Leadership Society members will also receive a complementary annual membership to JCUA and be highlighted in JCUA's materials.

As JCUA's Jewish voice for social justice in Chicago becomes stronger and more urgent, we are grateful to have the support of our Leadership Society donors.
